

SUNBLADE BOX SHROUD

SB-BOX-1T
SINGLE BLADE
CONFIGURATION

ORDER FORM

The SB-BOX-1T configuration of the SUNBLADE BOX Shroud comprises of a single blade. A distinctive, bold aesthetic profile for modern architecture. Crafted from a highly durable extruded profile, providing superior durability and weather resistance. Designed as a robust modular kit, this facilitates secure delivery and assembly; reducing the challenges associated with site specific accuracy. SUNBLADE shrouds adhere to Australian standards and provide consideration for building sustainability through solar shading.
